MAILING INSTRUCTIONS

The Florida Bar converts its files to electronic media. All submissions are being scanned into an electronic record and hard copies are discarded. To help ensure the timely processing of your submission, please review the following guidelines prior to submitting it to our office.

- 1. Please limit your submission to no more than 25 pages including exhibits. One sided copies only please. If you have additional documents available, please make reference to them in your written submission as available upon request. Should Bar Counsel need to obtain copies of any such documents, a subsequent request will be sent to you.
- 2. Please do not bind, staple, tab, index, or highlight your documents under any circumstances. We scan documents for use in our files and when scanned, your document highlighting will either not be picked up or may obscure any underlying text. Please do not submit materials in color.
- 3. Please refrain from attaching media such as audio tapes, thumb/flash drives or CDs, oversized documents, or photographs. We cannot process any media that cannot be scanned into the electronic record. Do not submit .jpeg, .mp2 or links to online materials including Dropbox.
- 4. **Please do not submit your original documents.** All documents will be discarded after scanning and we will not be able to return any originals submitted to our office. The only original document that should be provided to our office is the inquiry/complaint form.
- 5. Please do not submit confidential or privileged information. Documents submitted to our office become public record. Confidential/privileged information should be redacted. Such information includes, but is not limited to, bank account numbers, social security numbers, credit card account numbers, medical records, dependency matters, termination of parental rights, guardian ad litem records, child abuse records, adoption records, documents containing names of minor children, original birth and death certificates, Baker Act records, grand jury records, and juvenile delinquency records. If information of this nature is important to your submission, please describe the nature of the information and indicate that it is available upon request. Bar Counsel will contact you to make appropriate arrangements for the protection of any such information that is required as part of the investigation of the complaint.
- 6. Please provide your submission only one time. Do not submit duplicates via email, facsimile transmission or by any other means. Also, if we send you a copy of the complaint, response, etc. for you to respond to, please do not return those documents along with your response.

Please be aware that materials received that do not meet these guidelines may be returned. Thank you for your consideration in this respect.
